Message from Kitscoty Detachment

RCMP

With summer now upon us, the members of the RCMP Kitscoty Detachment have been busy on the road and in the community. Vacation season has led to an increase of traffic on our highways and a rise in motor vehicle collisions in the area. As always, the members of Kitscoty Detachment will be in full force ensuring that the rules of the road are abided by and will be conducting regular check-stop throughout the summer season. Also this month, the Dewberry Chuckwagon Races and Lea Park Rodeo both proceeded with no major incidents to report. Our members had a proactive presence at both of these events and were able to help keep the peace and enable everyone to enjoy their weekends. We are also pleased to report that Sgt. Jamie Hubbert will be arriving in July as the new NCO in charge of Kitscoty Detachment. Sgt Hubbert has an extensive background in policing and is very much looking forward to arriving in Kitscoty and working to provide the best possible service to the community. We would like to thank Cpl. Darcy McGunigal, who has been temporarily in charge of the detachment since February and will soon be returning to his duties at the Lloydminster City Detachment.

Dewberry School Track & Field

This year for track we had 4 high school students move on from districts to zones. With Ty winning the javelin and getting second in shot put. Gabe getting second in javelin and discus and winning the shot put. Darian won the 1500, 800 and Kirk won the 100m, javelin, triple jump and long jump. At zones Darian won the 1500 and Kirk the long and triple jump to advance to provincials.

At provincials Darian finished 10th in the 1500 with a personal best time and Kirk was able to win bronze in the long jump with a jump of 5m 70cm and a second in triple jump with a jump of 11.83m. A very impressive performance for Kirk as he won 2 of the 5 medals for our zone.

For Junior High we sent 15 students to the highway 16 finals and had 10 students finish in the top 4 to advance to the BTPS finals.

At the finals Hayley Evison received third in the junior girls shot put, Shay lynn a fifth in both the long jump and triple jump. Madison Bowman a third in javelin for senior girls.

Kody Pashulka received second in the 800m and Lucas Dennill a fourth in long jump. Duncan Brown received fourth in intermediate javelin as well. Torin Johre received an overall silver medal for winning the triple jump and setting a new record, also winning the long jump and javelin an coming fourth in discus.

Overall a very successful season for the school even though the preparation time was limited.

Thank You

On behalf of the Surina/Bardoel families I would like to say thank you to everyone who sent us cards, phone calls, donations & food but mostly all the prayers we received during this time of need.

To FR Adam Deren and Deacon Ken Noster for their support and spiritual guidance.
To June Menzies, Maighead Axe and Lorna Garnier for their musical talents.
To the Dewberry Mennonite choir for singing at the hospital and at the funeral.
To the Dewberry First Responders and the Elk Point Ambulance Services.
To the doctors and nurses in Vermilion, Lloydminster and the Cross Cancer Institute for all their dedicated work.
To the Lakeland Funeral home, for all their care and professional services.

Also a thank you to all the organizers, people and companies that donated to the fundraiser we had, but especially to everyone that bid and bought items on the silent and live auctions, also to Jimmy Mac and Shamus Martin for getting their fancy hair cuts.
To anyone that I have missed sorry but thanks again for everyone that helped out in anyway.

It was great to see our communities come together along with our family to be there for us, Aenita will be forever in our hearts.

Letter from the Mayor

To the Dewberry Chuckwagon Committee
And all the volunteers

Job well done!!!

I received nothing but positive responses to everyone I talked to.

Keep up the good work.

Mayor Headley Dennill

Did you know???

Many people falsely believe that a water conserving landscape means nothing but cactus and rock. This could not be farther from the truth.

It's important to know your climate zone before selecting plants.

Plants that conserve water will be natives that are hardy in your area. That is why they live successfully in the wild, and obviously with no supplemental irrigation.

If you're not familiar with the varieties in your area pay a visit a plant nursery in your area or visit the library and research it.

Just a thought

Congratulations to Sheldon & Orlean Woywitka on the birth of their twins. A little sister and brother for Big brother Deverin.

Congratulations!

Thank You

I would like to thank the Community of Dewberry and Marwayne for the kind help given to my mother Irene Burk. The Lloydminster Ambulance attendant in the ride on the ambulance. All those who helped at the Lea Park Rodeo Special thanks to Steve and June Woods of Marwayne, whose names I never knew till the emergency room, for bringing my vehicle to me. Cindy Maynes for helping find a nurse to help me with the first few days at home. Special thanks to Russell and Marvia for lending me a hand at home. My mother is suffering from a broken arm and bruised and broken ribs and will be staying with me in Dewberry for her recovery.

Once again thank you

The Village Office sincerely apologizes to the Dewberry Initiation Colts Parents and tournament sponsors for the delay in the printing of your thank you letter.
Another hockey season has come and gone and what a season it was! We started out the year with an extreme puck handling and speed skating hockey school and it wasn’t long before the kids found their skating legs. By the end of the year our kids were getting very competitive and were making some great plays and awesome saves. Our year wound down with our tournament on March 5th. We had 6 teams play in our 1 day fun tourney. There was an outstanding raffle table through which we were able to raise a large amount of money. A huge thank you needs to go out to our sponsors this year whose generous contributions make putting on a tournament possible. They are

We had a great bunch of parents who helped make the season what it was. I would like to thanks them for volunteering to work the time box, sell 50/50’s and for pouring endless cups of coffee in the booth at our early morning games. We would like to show our appreciation to our coaches Brad Romanchuk and Tyson Warawa and our Assistant coaches Kent Boyd and Lyle Radesh for working with kids and laying down a solid foundation that will help them a great deal as they move up in Minor Hockey. Thanks again for making this past season a great one.

WATER PLANT UPDATE

Well it’s official the Village of Dewberry is relying on the water supplied by the Water plant.

Your water goes through various filtration processes to remove minerals and reduce arsenic levels.

The water from the plant will be regularly checked for the first year of the plants operation to ensure that the levels of minerals and arsenic are maintained.

The construction on the plant isn’t completed as yet but are expecting it to be by mid July 2011.

The Village apologizes in advance for any water disruption that the residents might experience as a result of the final stages of construction.

We are in the process of scheduling an open house for the Water Plant during the Dewberry Annual Mini Fair Celebration. During the posted times you will be urged to come and take a look and meet the Certified Water Operator Mel Desjardains and Operator in training Kristina Cennon.

Once again please keep little ones from the construction site for their safety.

Thank You

Credit Cards
How compound interest can work against you:

IF the balance of your credit card is paid off completely by the due date each month, there is NO problem, because there is no interest charged.

IF you only make a partial payment (such as the minimum payment due), the credit card company goes back to the purchase date to start charging you interest. Credit card interest rates are very high, so the balance owing can increase quickly. If you fall behind in your monthly payments, you will be paying interest on your interest!

Once you get to this point, you should take steps to correct the situation immediately.

- Immediately stop spending on non-necessities
- Stop using credit cards
- If a the credit card debt cannot be paid off soon, get a Credit Union loan (if possible) at a lower interest rate, and pay it off as fast as possible.

Sometimes credit card companies will offer the opportunity to skip a monthly payment. However, they will continue to charge you high interest rates during this time.

Do not skip a payment.
